

Farm Service Elevator Feed Ordering App

Steps: [Connect](#) [Register](#) [Login to place order](#) [Forgot Password](#)

Connect to the application

1. Open any web browser on a PC or your mobile device.
2. Select or copy this link into the browser address bar: [FSEFeedOrder \(Isiapps.net\)](https://forms.spo.isiapps.net/FormsViewer/View?FVAnon=true&SPAppWebUrl=https%3A%2F%2Fappcentral-1e)

Register a Username

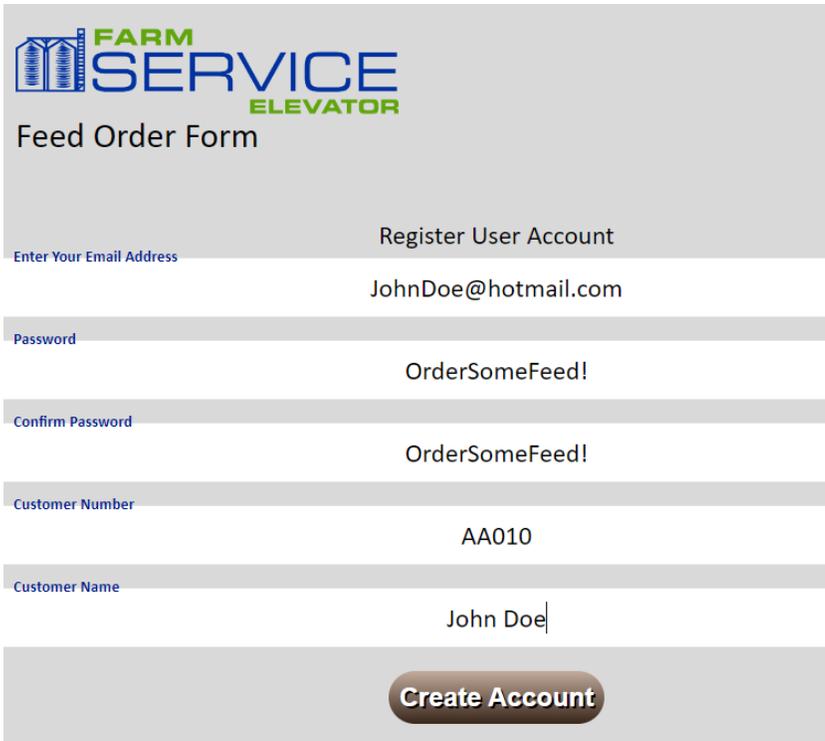

Hints:

- For the first time ordering of each farm, you must register a user and password.
- If you have multiple farms, you will need to register each farm.
- You can use the same user and password for each farm. You can also register multiple users for each farm.
- The customer number can be found on your invoices or can be provided to you by anyone at Farm Service Elevator that you currently order feed with.
- The password must be at least 10 characters and have a special character (Example: ! or \$).
- The Customer Name can be any name.
- Since multiple emails addresses can be associated with a farm, you can use the name associated with the email address, or you can use your farm name.

1. To register, click the **Register** link on the Login Page to take you to enter registration [information](#).

A screenshot of the Farm Service Elevator Feed Order Form Login Page. The page features the Farm Service Elevator logo at the top left, which includes a stylized farm icon and the text 'FARM SERVICE ELEVATOR'. Below the logo is the title 'Feed Order Form' and a 'Login Page' label. The page contains two input fields: 'Username (Email Address)' and 'Password'. A large, dark brown 'Login' button is centered on the page. At the bottom left, there are two links: 'Register' (highlighted in yellow) and 'Forgot Password'.

2. Enter the required information. ([view hints](#))

The screenshot shows the registration form for the Farm Service Elevator. At the top left is the logo with the text "FARM SERVICE ELEVATOR" and "Feed Order Form". The form has several input fields: "Enter Your Email Address" with the value "JohnDoe@hotmail.com", "Password" with "OrderSomeFeed!", "Confirm Password" with "OrderSomeFeed!", "Customer Number" with "AA010", and "Customer Name" with "John Doe". A "Register User Account" link is at the top right. A "Create Account" button is at the bottom.

3. Click "Create Account"

Success!

Your account has been created.

OK

4. Click "Ok" and you will be sent to the [Login Page](#)

Alert!

Password must be at least 10 characters and have a special character in it.

OK

You will be informed of any errors. Click Ok to correct.

To cancel registration, click the "Back to Login Page" link

This screenshot is similar to the first one, showing the registration form. The "Back to Login Page" link is highlighted in yellow at the bottom right of the form area. The "Register User Account" text is at the bottom center.

Login to create a Feed Order ([home](#))

To create a feed order:

1. Login to the app with the user/password that you created during [registration](#). If you forgot your password, you can click "[Forgot Password](#)" to reset it.

The screenshot shows the 'Feed Order Form' login page. At the top left is the 'FARM SERVICE ELEVATOR' logo. Below the logo, the text 'Feed Order Form' is displayed. The page is titled 'Login Page'. There are two input fields: 'Username (Email Address)' with the value 'JohnDoe@hotmail.com' and 'Password' with the value 'OrderSomeFeed!'. A 'Login' button is centered below the fields. On the left side, there are links for 'Register' and 'Forgot Password'.

2. Click Ok to continue

The screenshot shows a 'Success!' dialog box. The text inside reads: 'Your login was successful! You can now proceed.' There is an 'OK' button at the bottom right of the dialog.

3. Select your customer number from the list and click "Next"

The screenshot shows the 'Feed Order Form' page for selecting a customer number. It features the 'FARM SERVICE ELEVATOR' logo and the text 'Feed Order Form'. A link 'Back to Login Page' is visible in the top right. Below the logo, the text 'Enter Your Customer Number' is displayed above a dropdown menu. A 'Next' button is centered below the dropdown.

4. Select your farm from the list and click Next

The screenshot shows the 'Feed Order Form' page for selecting a farm. It features the 'FARM SERVICE ELEVATOR' logo and the text 'Feed Order Form'. Below the logo, the text 'Choose Farm' is displayed above a dropdown menu. A 'Next' button is centered below the dropdown.

- You will now see your information, an order date, an order time and a flock selection.
The order date and time will default to the current date and time. Select Your flock and click “Submit”

16:00 / 4:00 PM 16:00 / 4:00 PM

+	Unload Option	Unload Desc (Enter tons if option T)	Location	Location Desc
1	[Dropdown]		[Dropdown]	

Feed	T/Fed	T/Sch	T/Diff	Age
928	71.03	71.45	0.43	0-24
926	73.35	128.62	55.27	25-39
924	0.00	100.04	100.04	40-47
923	0.00	171.49	171.49	48-60
922	0.00	100.04	100.04	61-66
B01	0.00	108.61	108.61	67-72
B02	0.00	114.33	114.33	73-78
B03	0.00	120.04	120.04	79-84
B04	0.00	125.76	125.76	85-89

Notes:

- You can use the feed schedule at the bottom to help determine the feed formula that you should enter.
- Medication is not required
- Tons Ordered and Tons on Load will be loaded with the maximum that you can receive based on your default method of delivery and the current road restrictions
- You can only enter the Tons Ordered
- Dates and Times cannot be in the past
- Enter the earliest date/time that you wish to receive the feed in the “Early Date” section
- Enter the latest date/time that you will to receive the feed in the “Late Date” section
- The Late Date/Time cannot be before the Early Date/Time
- Use the “Early Date +24 Hrs” button to auto load the late date/time 24 hours from the early date/time
- Use the “Early Date +48 Hrs” button to auto load the late date/time 48 hours from the early date/time
- You can adjust the late date/time after using +24 or +48 hours button to initially load the late date/time
- Multiple “Unload Options” can be entered (used for the driver to know how to fill your feed tanks)
- After entering the first unload option, use the  icon to create another row if desired
- Use the  trash icon to delete a row
- The Location is the feed tank. Each location can only be entered once per feed order.

	Unload Option	Unload Desc (Enter tons if option T)	Location
 1	F	Fill	11
 2	B	Bal	12
 3	T	10	21

The unload options are:

F = Fill the tank

B = Unload remaining balance (usually done after Fill)

T = Unload specific number of tons. You must enter the number tons to the right

S = Split load between tanks (usually you will enter multiple tanks with “S”)

SP = Split balance between tanks (usually you will have an “F” to fill and then multiple SP to split the balance between other tanks)

7. Click “Submit” to place the order.

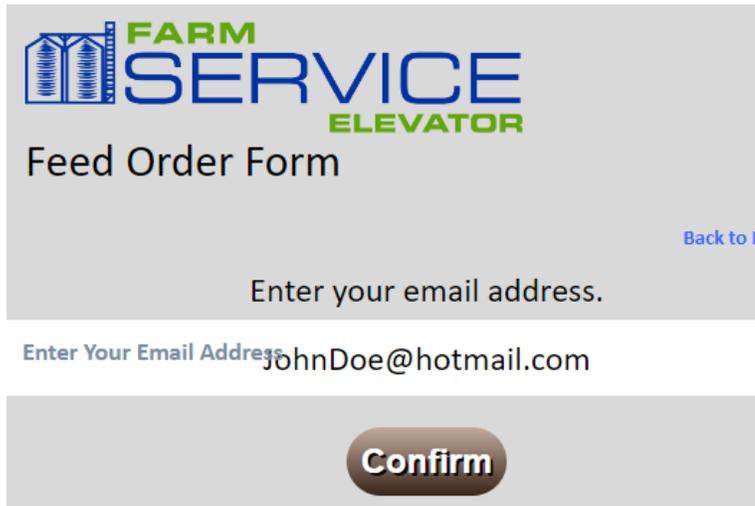

8. You will be given a confirmation code and notification that you will receive an email that Farm Service Elevator has received your order. In that email, you will also receive a .PDF attachment of your order as you entered it on the screen.

9. **Review the attached order closely and contact Farm Service Elevator if you notice anything that is not correct.**

Forgot Password ([back to Login](#))

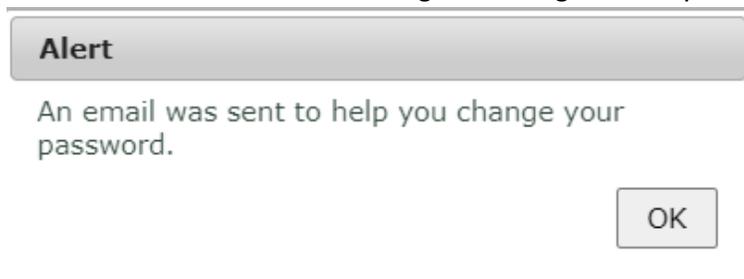

If you forget your password and clicked “Forgot Password” on the login page.

1. Enter your email address and click “Confirm” to receive an email with a reset link.

The screenshot shows a web form for FARM SERVICE ELEVATOR. The title is "Feed Order Form". Below the title, there is a text input field with the placeholder "Enter your email address." and a "Back to Login" link. The input field contains the email address "JohnDoe@hotmail.com". Below the input field is a large, dark brown "Confirm" button.

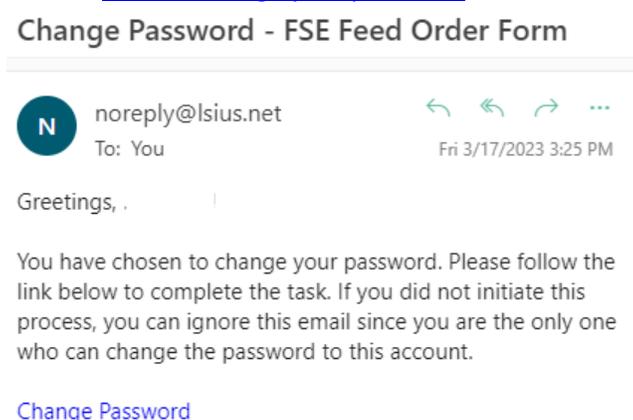

2. You will receive this message indicating to check your email

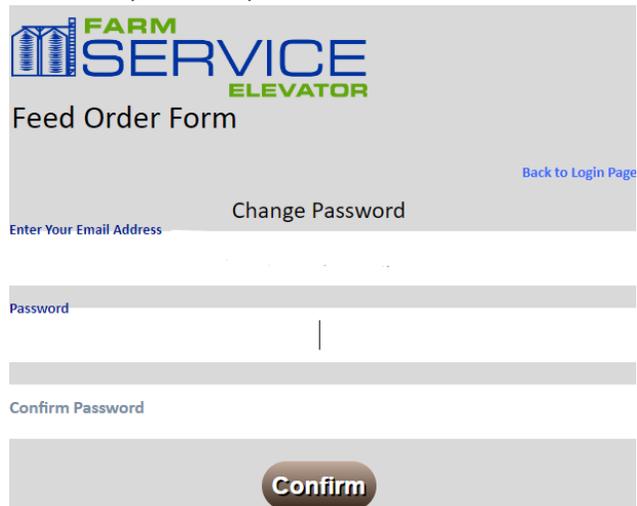

3. You will find an email in your email account like this. If you do not see it, check your spam folder.

4. Open the email and click the “Change Password” link. This will open a new page on the web browser with a [form to change your password](#).

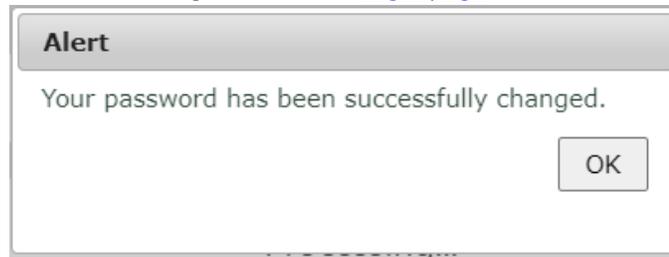

5. Enter your new password and click "Confirm"

The screenshot shows the 'Change Password' form on the FARM SERVICE ELEVATOR website. The page header includes the logo and the text 'Feed Order Form'. A link for 'Back to Login Page' is visible in the top right. The form contains three input fields: 'Enter Your Email Address', 'Password', and 'Confirm Password'. A 'Confirm' button is located at the bottom of the form.

6. Click Ok to go back to the [login page](#)

The screenshot shows an alert dialog box with a grey header containing the word 'Alert'. The main text of the dialog reads 'Your password has been successfully changed.' At the bottom right of the dialog is an 'OK' button.
